

# Privacy Policy – Footprint for Life

**Last updated:** January 2026

## 1. Introduction

This Privacy Policy explains how **Footprint for Life** ("the app") collects, uses, and protects user and device data. The app is developed within the Valyter initiative and is committed to protecting user privacy and complying with the Google Play User Data Policy.

## 2. Age Restriction

This app is intended only for users aged **13 years and older**. We do not knowingly collect personal data from children under 13. If we become aware that personal data from a child under 13 has been collected, it will be deleted immediately.

## 3. Information We Collect

We may collect information voluntarily provided by users, such as name or email address, as well as limited technical data including device type, operating system, IP address, and app usage data necessary for functionality and security.

## 4. How We Use Information

Collected data is used solely to operate, maintain, and improve the app, ensure security, respond to user requests, and communicate important updates. User data is not used for advertising, profiling, or marketing purposes.

## 5. Data Sharing

We do not sell, rent, or trade user data. Data may be shared only with trusted service providers strictly necessary for app operation or when required by law.

## 6. Data Security

We implement reasonable technical and organizational measures to protect user data, including encrypted data transmission and restricted access to personal information.

## 7. Data Retention and Deletion

Personal data is retained only for as long as necessary to fulfill the purposes described in this policy. Users may request access to or deletion of their personal data at any time.

## 8. Third-Party Services

If third-party services are used (such as analytics or hosting providers), they are selected to comply with Google Play policies and do not target children under 13.

## 9. Changes to This Policy

This Privacy Policy may be updated from time to time. Any changes will be reflected in the published version with an updated revision date.
